

## COPYRIGHT AGREEMENT FORM

TITLE OF THE MANUSCRIPT \_\_\_\_\_

\_\_\_\_\_

The undersigned authors hereby agree that *International Scope of Wound Management* and publisher have no responsibility over the content of the manuscript titled above.

**The undersigned authors warrant that;**

1. The submitted manuscript (including the text, tables, figures, graphs, images, and any other related content) is original and has not been submitted to another journal for publication, has not been published before in whole or in part,
2. If the manuscript has been published in whole or in part, all permissions were granted for publication in *International Scope of Wound Management*, and the original copyright form and other required documents will be forwarded to the journal and all relevant persons and institutions,
3. The authors guarantee that the article does not infringe any personal or property rights of others and accept the responsibility of the content of this manuscript and all other legal responsibilities related to the manuscript,
4. By signing this form, authors agree that the article, if accepted for publication by *International Scope of Wound Management* will be licensed under a Creative Commons Attribution-Non Commercial 4.0 International License (**CC BY-NC**), which allows third parties to share and adapt the material for only non-commercial purposes by giving the appropriate credit to the original work. For further details of the license **CC BY-NC 4.0**, please see <https://creativecommons.org/licenses/by-nc/4.0/>
5. The authors retain all patent and other proprietary rights to the article, including copyright.
6. This form should be signed by all contributing authors and submitted to *International Scope of Wound Management* during the initial submission process.
